NuKeeper Professional *Universal NKU Series*

Designed in every way for demanding hotel cleaning regimes, tackling narrow corridors, heavy loads and the pressures of time sensitive public-space day cleaning… the NuKeeper Universal.

Six NuKeeper Universal (NKU) models provide complete choice for the user. The time tested Flexi-Front (FF) design offers simplicity and ease of access. Bi-Fold Hard-Front (HF) models provide public-space security whilst not comprising storage access for the user. All models are equipped with All-Terrain (AT) soft ride castors, gliding over heavy-pile carpets even when carrying the heaviest of loads. Select from the heavy-duty removable laundry bag options to suit your particular needs.

Universal by name, Universal by nature… turn to page 40 for a choice of accessory kits with over 1000 trolley configurations.
