Exclusive Australian Distributors of

# HZC390S H-Class Cartridge Vacuum

Designed, engineered and built with the tradesman in mind, the HZC390S offers a safe and convenient solution for those whose work brings them into infrequent contact with hazardous dusts and materials.

Equipped with a sealed and disposable HEPA H13 filter cartridge, all dust is safely contained, meaning users are able to change the filter as and when they need to.

- 2 Year Warranty
- 13L H-Class dry only vacuum
- Sealed HEPA H13 filter cartridge for safe handling
- 10m cable - Nucleable system allows for easy cable replacement
- Large all terrain wheels and built-in handle to aid handling
- All steel metal head is built to last
