TTB1840G – Compact Battery Scrubber

The TwinTec 1840 machine has been designed to minimise size whilst maximising cleaning performance.

All the features of a big scrubber packed into a compact scrubber:

- Pivoting squeegee coupled with a 300-watt vacuum motor provides excellent water recovery
- Recovery tank has a drain allowing for easy emptying without the need for lifting
- Control panel provides operator with water, vacuum and battery status all in one convenient place
- The removable battery pack consists of 2x12 volt 18 amp hour gel batteries that charge in under 6 hours.
- Fits into the boot of a car

Removable Battery with Offboard Charging

Fold Down Handle for Easy Storage

Easy Fill Tanks to make refilling a breeze
